

Instructions for using this press release:

Share this press release with your team to ensure they have access to all the benefits that come with your Chamber membership. You can post this to your company blog, send it via email to all your employees, or post it on a bulletin in a break room.

Text inside brackets should be replaced with applicable information. For example, “[your business name]” should be replaced with the name of your organization.

PRESS RELEASE

Welcome to the Greater Concord Chamber of Commerce

[Your business name] has joined the Greater Concord Chamber of Commerce—New Hampshire’s largest Chamber community. Welcome to a network of thousands of area professionals who are passionate about growing their businesses and supporting the community. As an employee of [your business name], you have gained access to all of the benefits that come with membership. This includes everything from discounts to local establishments, invitations to events, professional development opportunities, and much more.

To begin exploring your member benefits, take a look at the Chamber’s [New Member Packet](#) for a quick overview of opportunities available to you. (A digital copy of this packet is available at concordnhchamber.com/join-us.) You will see opportunities for networking, building your skills, and getting involved in the community. One of the Chamber’s highlights is their robust event calendar. For a full list of upcoming events, go to concordnhchamber.com/event-calendar.

The first step to accessing these benefits is to create your Chamber login. If your supervisor has already setup an account for you, you can establish your password and login at concordnhchamber.com. Click the blue “Member Area” button at the top of the page, and click the large square that says “Login” to get started. If you do not have an account yet (or are not sure if you do) you may contact the Chamber anytime at (603) 224-2508 or info@concordnhchamber.com to get set up. After logging in, you will find yourself in the Chamber’s “Info Hub”. From this dashboard you should be able to easily sign up for events, explore member coupons and deals, pay invoices, subscribe to mailing lists, post jobs to the Chamber’s job board, and much more.

After getting acquainted with your membership benefits, you may be interested in attending a complimentary Meet Your Chamber breakfast or lunch at the Chamber office in downtown Concord. This is a great opportunity to meet Chamber staff face-to-face, network with peers, and explore the Chamber’s beautiful Visitor Center. To sign up for the next Meet Your Chamber event, contact the Chamber at membership@concordnhchamber.com.

The Chamber staff is a fantastic resource if you have additional questions about your membership, accessing resources for your professional growth, or building community in the Capital Region. Their office and Visitor Center at 49 South Main Street, Suite 104, Concord is open Monday through Friday from 8:30 a.m. to 5 p.m. They are also available via phone at (603) 224-2508 or email at info@concordnhchamber.com.
